In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

**"YA'ALL COME!"**

More Shorthorn herds in Kansas have started from this sale of un-fitted cattle in the last five years than in any Shorthorn sale in Kansas. Almost half the offering for this sale will be Polled Shorthorn cattle. 20 head of open heifers will be sold in this sale. A great opportunity for a boy or girl to start a heifer project.

Some of the top herds in Kansas have consigned Shorthorns for this sale. The offering is large enough to make it worth your time to attend this sale. Only nine are consigned in this catalog. We will have several other serviceable age bulls in this sale.

Following the purebred sale, we will sell at least twenty top club calves. Some of the best Shorthorn steers that were shown in Kansas were purchased in this sale. Our commercial cattle will sell after the steer calves.

The commercial cattle consigned for this sale consists of twenty-five heifers to calve in spring. Twenty open heifers, twenty good commercial cows. Eighty head of good light steers, sixty head of light heifers. We are expecting at least two hundred and fifty head of commercial cattle for this sale. If you are looking for good Shorthorn cattle, be in Salina December 9th. We will have any kind of cattle you want.

Milton H. Nagely, Sale Manager
